Do you want to meet people from another country, learn a new language?

How about volunteering as a Young Readers Mentor this summer?

As a Young Readers Mentor you will be sharing your favorite story books and reading activities with families eager to learn and willing to share their life experiences. It is easy, you choose the hours and days you can volunteer and we will provide you with training, some supplies and access to migrant camps in Whatcom County. The rest is up to you and your students, you can read, play games or do an art project.

Opportunity is limited, sign up fast. Families are encouraged to participate.

No experience or Spanish speaking is required, just an open mind.

It is a rewarding and life changing experience.
